ORGANIZERS

GREENOVATION 2023

GREENOVATION 2023 - International Green Building Technology Expo will provide an excellent opportunity for Indian & global players to showcase the very best of technologies in the areas of sustainable buildings developments. Exhibitors will display their innovations- green building products technologies, equipments & machineries to prospective collaborators and policy makers and will be able to connect and network with fellow entrepreneurs. The event will attract overseas exhibitors from America, Germany, Belgium, France, Japan, Korea, Canada, and Sweden, Netherlands and other countries.

GREENOVATION 2023 is a platform to promote technology and build an environment-friendly & resource-saving society and showcase sustainable ideas, technology, equipments and designs to entrepreneurs, innovators, Architects, Builders & Developers, Government representatives, Consultants, Contractors, Lighting Consultants, Town Planners, Corporate, Research and Academic institutions and Multilateral Development institutions at this single meeting point.

Green and smart buildings will reduce pollution and degradation of environment through efficient usage of energy, water and other resources supporting healthy living and improving productivity. The Government of India is actively introducing programmes which promote green and smart technology through their Smart City Mission to improve the quality of urban living. The Government is encouraging industry, architects and service providers to adopt a green, smart and energy efficient technology.

WHY EXHIBIT?

- Increase your brand's recognition.
- Position your organisation as an important player in the green technology space.
- Present your technology to a distinguished international audience.
- Enter new markets and connect with national and international companies.
- Develop new business relationships and gather business leads.

EXHIBITORS PROFILE

GREEN BUILDING TECHNOLOGY

(Technologies and Materials used to create a Green Building)

- Adhesives & Sealants
- Architectural Hardware,
- Baked Earth
- Bamboo
- Biodegradable Building Materials
- Bioplastics and Bio composites
- Blinds & Shading
- Blocks & Bricks
- Calcium Sandstone
- Ceilings/Ceiling Products
- Cellulose
- Cement & Concrete
- Clay and Clay Grains
- Coal Combustion Products
- Composite Wood
- Composites Materials
- Compressed Earth Block
- Construction Aggregates & Mortars
- Cool Roofs
- Cordwood
- Cork
- Decking
- Doors & Windows
- Earth Bags
- Earthen Materials
- Eco-friendly Insulation Material
- False Ceiling
- Fiber Cement
- Fiber Glass
- Flax Linen
- Fly-Ash Bricks/ AAC Blocks
- Foundry Sand
- Glass & Glazing

- Green Insulation Materials
- High and Ultra-High-Performance Concrete
- Insulated Concrete Forms
- Linoleum Flooring
- Lumber/Wood Products
- Masonry & Stone
- Modular & Precast System
- Natural Clay
- Natural Fiber
- Natural Fiber Floor
- Paints & Coating
- Paper Flakes Panels
- Plasters & Renders
- Plumbing Tools
- Polyurethane Foam
- Rammed Earth Walls
- Roofing
- Seagrass
- Sheep Wool
- Sisal Fabric
- Slate/ Stone Roofing
- Solar Roof Tiles
- Stone and Marble
- Straw Bales
- Structural Insulated Panels (SIPs)
- Sustainable Aluminium
- Sustainable Flooring
- Sustainable Steel
- Swimming Pool and Sauna Equipment's
- Thatch
- Thermal and Acoustic Insulation
- Tiles & Sanitaryware

- Tree Bark Texture
- Vermiculite Insulation
- Wall Coverings
- Walling Blocks
- Water Proofing Material
- Wood and Timber
- Wool Insulation
- Air Compressor
- Air Filtration System
- Chillers
- Combined Heat & Power (CHP) Systems
- Cooling Towers
- Energy Controller
- Energy Management Products
- Energy Management Systems
- Energy Saving & Technology Systems
- Evaporator Fan Controller
- Heat Pumps
- Hot Water Systems
- HVAC Systems & Products
- (Heating, Ventilation and Air Conditioning)
- Innovative Building Technology
- Photovoltaic Panels
- Power Generation Turbine
- Refrigeration System Air Ducting
- Solar Energy Utilization Technology and Equipment's
- Solar Power
- Solar PV Panels
- Wind Power
- Terra Cotta Tiles
- Heat Reflective Paints

EXHIBITORS PROFILE

ENERGY EFFICIENT PRODUCTS

- Batteries & Invertor
- Ceiling Fans
- Green Architectural Lighting
- LED Bulb & Lighting
- Smart Charging Stations
- Smart Fridges and Kitchen Appliances
- Smart Switches
- Solar (PV & Light)

WASTE MANAGEMENT

- Destruction & Waste-to Energy
- Membranes & Fitting
- Odor Control Equipment
- Organic Recycling
- Organic Waste composter
- Sewage Management & Treatment
- Solid Waste Recycling

WATER EFFICIENCY MANAGEMENT

- Leak Detection
- Low-Flow Fixture
- Membranes & Fitting
- Pipe Insulation & Valve Blankets
- Rainwater Harvesting
- Sanitary Appliances & Fitting
- Solar Water Pump Systems
- Storm Sewer System
- Irrigation Systems
- Sustainable Piping System
- Sustainable Urban Drainage Systems
- Sustainable Water Management
- Wastewater Treatment Systems
- Water Efficiency Technologies
- Water Recycling
- Water Systems & Treatment

OTHERS

- Green Infrastructure & Biodiversity
- Green Building Projects
- Builders & Developers
- Green Building Consultancy Design and Services
- Cleaning & Maintenance
- Facility Management Services
- Gardening and Landscaping Products & Services
- Fence Fencing and Landscaping machinery
- Building Automation & Controls
- Building Information Management
- Interior Design Services
- Finance & Insurance
- Ministries, PSU's, and Government Agencies
- Educational & Research Institutions
- Trade Associations
- Publications & Trade Media
- Software

VISITORS PROFILE

- Architects
- Builders & Developers
- Contractors
- Construction Companies
- Civil Engineers
- Interior Designers
- Investors & Promoters
- Corporate , PSU & Government officials
- State Development Authorities
- Consultants
- City Planners & Project Managers
- Municipalities
- Traders, Wholesalers and Retailers
- Energy Modelers
- Green Building Facilitators
- Universities & Research Institutes
- Trade Association & Media

Indian Exhibition Services (IES) is a leading Exhibition organizing company in India. That has been involved for the last several years in trade promotion activities like exhibitions, seminar & conferences, buyer seller meets in India and abroad. IES major initiatives are Sport India Expo, Fitness India, Rehab India Expo, Sport India Conference, Sports Goods Manufacturers Forum, Sport India Infrastructure Summit, Sport India Fashion Show, World Environment Expo, Greenovation – International Green Building Technology Expo, Biodegradable Expo, World Environment Conference, EV India Expo, E- Charge Forum, India Buildtech, Gas India Expo, NGV India Expo, World Gas Summit etc.

IES is engaged in national and international trade promotion and provide business platform to the corporates, industrialist, and small-scale industry to promote their products through the buyer seller meets & trade exhibitions with the aim to create a bridge between buyers and suppliers.

Green Society of India (GSI) is a registered and non- profit organization under the societies registration act XXI of 1860 with its head office in New Delhi (India)and working for the environment protection with the aim to create environmental awareness and Involved in research, investigative, educational work in the field of pollution, forest, wildlife, land & water use and various aspects of the environment .
